### Guidelines:

- Speed limit is 10 km per hour on all roadways.
- Quiet time is 11:00 p.m. to 8:00 a.m. Use of profanity, loud music or obnoxious disturbing behavior **will not** be tolerated. Children must be in their campsite by 11:00 p.m.
- Pets: One dog per site is welcome and a pet agreement must be signed which states that the dog must be on a leash at all times, never left unattended at any time, in or outside of the unit and are not allowed on the playground or picnic areas. **Owners are required to pick up after their pets.** Failure to abide by these rules will result in pet expulsion from the grounds. Sorry, no aggressive breeds allowed.

- Sewer Hook-Ups: A foam rubber sewer donut is required for all sewer hook-ups from the unit to the camp connection. We have them available for purchase at the office. This helps eliminate odor and keep items from getting into the sewer.
- Dumping of wastewater or effluent on the ground is prohibited.
- Garbage: Be sure to wrap your garbage to lessen odor. Please take your garbage to the receptacles provided in the campground.
- Fires: Please use the firepits provided.
- Motorbikes, ATV's, etc. may not be rode on the grounds at any time.
- Alcohol: Avoid use in public areas. Please keep your supplies out of sight of the public and take into your unit at night.
- Be a Good Neighbor: Please keep your site clean and safe.

**\*\*\* We reserve the right to refuse or discontinue service to anyone and to move stall reservations as we deem necessary due to booking configurations.**
